

Art Society of Strathcona County COLORED PENCIL WORKSHOP

Dee Poisson – Instructor

Coloured Pencil is not just for kids. You may have purchased an adult colouring book and now may want to colour inside or outside your own lines. This coloured pencil workshop will cover the basics of tools and application techniques used to finish a piece of artwork.

Beginners are welcome. Dee will show you how to transfer your 5 x 7 image or one of hers onto paper that is supplied for you. If you are an experienced coloured pencil artist come and learn some new techniques.

Dee will do a demo as well as provide individual attention to answer your questions about this medium that has recently grown in popularity. Bring your best artist quality coloured pencils and a few other things on the supply list that will be provided for you.

Dee is an award winning artist from Central Alberta who has been teaching workshops about coloured pencil for years. She is a member in good standing of the Coloured Pencil Society of America and the Federation of Canadian Artists. Recent works include "PINK" which was included in the Coloured Pencil of America International Show, Explore This 13 in 2017. Dee was the only Canadian represented among the 65 pieces included in the show.
