WHIMSICAL PAINTING IN OIL OR ACRYLIC WORKSHOP

Cindy Revell – Instructor

Inquisitive birds, flowers and uncommonly coloured creatures come to life in gardens, interiors and still lifes where they fuse in an exuberant and vibrantly colourful mix that implies 'what if' and 'anything is possible'.

This class is an opportunity to indulge yourself in the colours and subject matter that resonates most with you. You will learn how to see things from a more imaginative perspective. Students will sketch and refine their concept on paper then draw it on canvas either in pencil or thinned paint before painting. We'll apply the fundamentals of concept, composition, value, colour, temperature and paint quality to take your idea to a finished and colourful whimsical painting. It will be a personal and relevant expression of you!

Cindy will demonstrate using oils but any medium is acceptable, however students should be familiar with the medium they are acquainted with (oil or acrylic).
